TOMA NISTOR

Full-Stack Web Developer

San Diego, CA   tomanistor.com   linkedin.com/in/tomanistor

(518) 307-7323   toma@tomanistor.com   github.com/tomanistor

Project Experience

TomaNistor.com
Personal Project, 2017

Designed and developed static portfolio and blog using Hugo, jQuery, and FlexBox Grid.

Ceres Auditing Interface
Xander, 2017

Constructed an interface to establish an organized, intuitive, and speedy process for medical lab technicians tasked with billing medical samples. Completed project in 1 month using the company's in-house JavaScript framework and Bootstrap.

VolunteerUP
LEARN Academy, 2017

Built a Ruby on Rails app for connecting nonprofit organizations with volunteers in a two-week sprint with a team of junior developers. Added search, filtering, and ordering features for organization and event listings using Ruby and JavaScript. Developed styling and UI with Bootstrap.

SPF.RhinoLinings.com
Rhino Linings Corporation, 2015

Designed a division of a corporate website using Wordpress to convert new sales.

Work Experience

Web Developer Intern
Xander, 2017

Created a medical sample auditing interface for client in the medical industry from planning to completion. Learned and utilized the company's own JavaScript framework for development.

Web Designer
Rugged Fellows Guide, 2014 – Present

Developed lifestyle blog using Wordpress and Bootstrap. Created original content and optimized digital marketing campaigns to grow audience to 350,000 sessions in 6 months with 5,000 daily sessions.

Digital Marketing Coordinator
Rhino Linings Corporation, 2015 – 2016

Managed and helped develop and design company websites using Wordpress and Joomla. Boosted digital brand through SEO, social media, online advertising, email marketing, content marketing, and graphic design.
